Owners Note

The Back Porch opened in 2004 to "bring a touch of Nashville to Grapevine..." Since that time, we've become a local institution – a place where friends and family hangout to enjoy live music, a cold one, great Texas food, karaoke, trivia, sports or just each other's company. The Back Porch is truly one-of-a-kind place where there's something new happening every day. The only thing that never changes is our legendary Texas hospitality!
